

*Riding Across America to Benefit*

### **About mercyRIDERS**

The mercyRIDERS are a group of cyclists and crew who are riding across America, not just to say we did so, but to use the ride as a rallying point for a greater cause.

mercyRIDERS will cycle across America raising awareness and support for Mercy Housing, a national non-profit, who celebrates 30 years of dedicated work providing housing, social services, and mortgage assistance to those most in need.

mercyRIDERS journey begins in San Francisco, with planned stops in Denver, Chicago, and Washington DC along the way to spend time in communities that have benefitted from safe, quality, affordable rental homes with programs that enable its residents to achieve their best life.

Our goal is to call attention to the work performed by Mercy Housing and to raise a minimum \$60,000 through our efforts.

### **About MERCY HOUSING**

Mercy Housing's vision is to work to create a more humane world where poverty is alleviated, communities are healthy and all people can develop their full potential. We believe that affordable housing and supportive programs improve the economic status of residents, transform neighborhoods and stabilize lives.

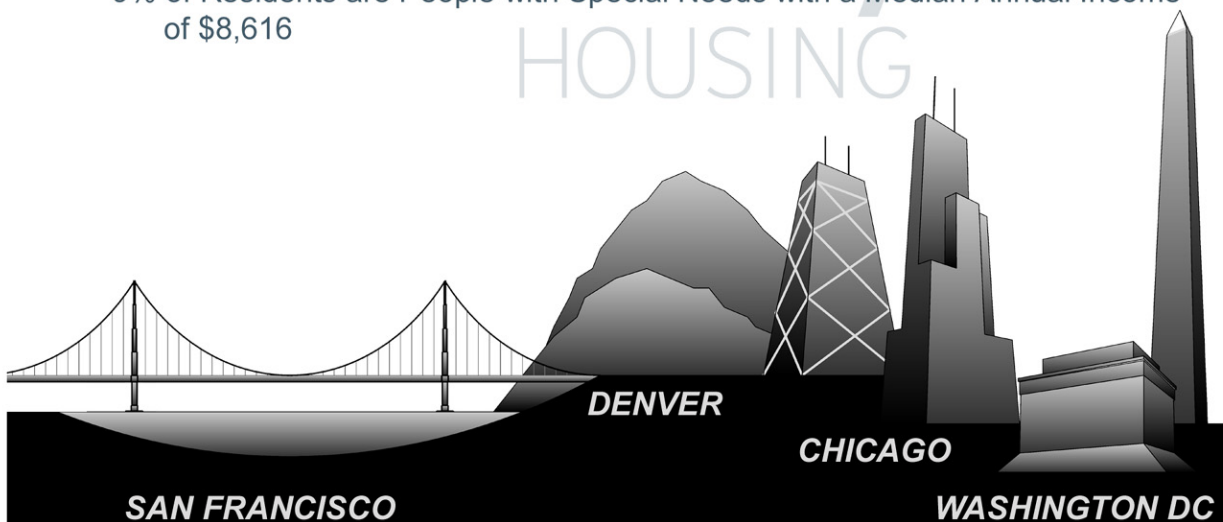

Mercy Housing's mission is to create stable, vibrant and healthy communities by developing, financing and operating affordable, program-enriched housing for families, seniors and people with special needs who lack the economic resources to access quality, safe housing opportunities.
